Nothing Gold Can Stay

Nature's first green is gold,

Her hardest hue to hold.

Her early leaf's a flower;

But only so an hour.

Then leaf subsides to leaf.

So Eden sank to grief,

So dawn goes down to day.

Nothing gold can stay.

Golden Memories

Football and Basketball Homecoming, Prom and Sophomore Valentine Dance, Star Grads, National Honor Society and the publishers of Quill & Scroll, along with the Bluff Queen and her court were the highlights of the year.

Expectations were high in the fall and the Football Homecoming Court watched the Mules make a gallant effort to overcome their opponent, the Springfield Kickapoos. Next, the Basketball Homecoming Court witnessed a golden victory for the Mules as they beat the Cape Tigers. Sophomores honored members of their class by electing them to the Valentine Court and the entire school voted for the 1990 Bluff Queen and her Court. Twelve seniors were highlighted as Star Graduates and recognized for their contributions to PBHS during their time here. Quill & Scroll honored its members for the publishing of the yearbook and newspaper while National Honor Society honored its Senior members for their academic and extracurricular achievements. We wished that they would "Never Tear Us Apart" for Prom '89 and "I Remember You" became the theme for Prom '90.

Royalty reigned, graduates shone, and various students were honored for their achievements throughout the year filling our minds with golden memories. These and other events will remain forever gold.

Football Homecoming '89 the week of October 2-6. The week was full of wonderful, enthusiastic activities. Monday we started the theme days with Hunt Kickapoo Day and everyone wore camouflage, Tuesday was Kick the Poo out of Kickapoo Day and several fun spirited individuals wore house shoes, Wednesday was Bury Kickapoo Day and black was the color to wear. Thursday and Friday were both very spirited and supportive for the football team. Thursday being Jersey Day and Friday was Maroon and White Day.

Friday morning was another big event, in third hour we had our annual Homecoming Assembly. The Homecoming Court was introduced and Tara Tinsley was announced as Football Homecoming Queen '89. Tara was escorted by Senior Trevor Huffman.

The assembly was full of enthusiasm. The cheerleading squads led the school in chants and cheers, and everyone joined in. We had a special appearance by some of the football players mothers, doing some old pep cheers. The Sho-Me Pep Band played several pep tunes including the school fight song "LOYALTY." The high school gymnasium was roaring with excitement.

Friday night before the football game the Homecoming court was introduced again and the retiring Homecoming Queen, Michelle Pittman crowned Tara. The court received an excellent welcome. The night continued with a disappointing loss to the Kickapoo Chiefs with a score of 28-6. The Fred M. Morrow Stadium was full of supporting fans, but they just couldn't pull it through. Even though we had an upsetting loss the Mules did a wonderful job in showing their good sportsmanship and pride.

Following the game was the big event the Homecoming Dance. It was over at midnight along with the week of our '89 Football Homecoming. Though it's over, the GOLDEN memories of that wonderful week will remain in every ones heart.

SPIRIT!
BHS

1990

With the GOLDEN MEMORIES of 1989 tucked away, we jumped into the 90's with the 1990 Basketball Homecoming., Homecoming started with a week full of activities. Monday was color day. Seniors wore red, juniors blue, sophomores purple, and freshmen green. Tuesday everyone transformed themselves into cowboys and cowgirls for Western Day. Wednesday was sweatshirt day. Thursday everyone dragged out their parent's old clothes and dressed 50's. Friday everyone downed their maroon or white for the traditional Maroon and White Day.

During the assembly Friday, Senior Tiffany Green was named the 1990 Basketball Homecoming Queen. That night before the Varsity boys' game Tiffany was crowned by the retiring queen Mitzi Talkington. Tiffany and her court then retired to the stage to watch the boys squeeze by to successfully beat Cape 63-62.

Following the game students celebrated the victory with a Homecoming dance in the Student Center.

Everyone will have GOLDEN MEMORIES of a week filled with Mule spirit.

Never Tear Us Apart

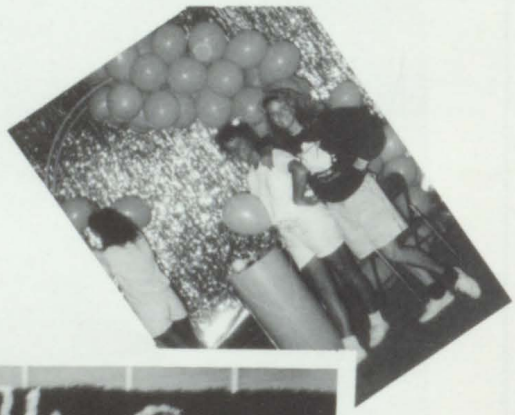

by INXS

Don't ask me what I know is true don't have to tell
you I love your precious heart.
I . . . I was standing you were there two worlds
collided and they could never tear us apart.
We could live for a thousand years but if I hurt you
I'd make wine from your tears.
I told you that we could fly 'cause we all have wings
but some of us don't know why.
I . . . I was standing you were there two worlds
collided and they could never tear us apart.
I don't ask me I was standing you know it's true
you were there worlds collided two worlds collided
we're shining through and they could never tear us apart.
You don't ask me you were standing you know it's true
I was there worlds collided two worlds collided
we're shining through and they could
NEVER TEAR US APART

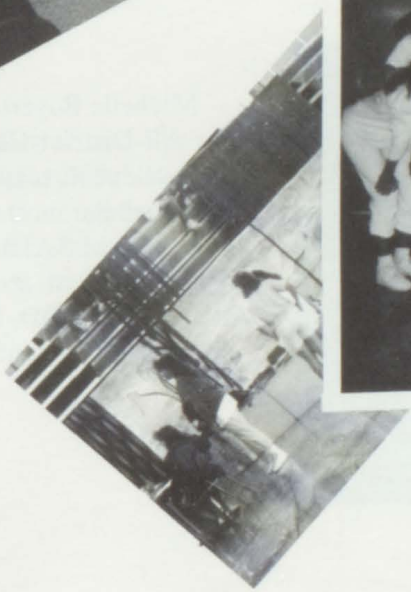

Never Tear Us Apart

Time to hit the books!

GOLDEN OPPORTUNITIES

For yet another year, the students of PBHS took advantage of the numerous golden opportunities available to become involved in our school.

Literary Club hosted its third annual guest speaker, Walter Dean Myers, who intrigued us with his stories of Vietnam and the heroic deeds of the black knight. The Sho-Me Band marched to golden victories while various choral groups entertained us with wonderful music. Drama Club presented us with the very successful and popular play OUR TOWN and the Speech Team proved to be successful another year. SADD/PAL continued working toward a drug-free campus. BETA revived itself and planted a tree near the new Chamber of Commerce as a symbol of future growth. Many clubs held successful can drives including one led by FCA and Athletic Club which brought in the most donations. NIKE wrapped up its year with its annual fashion show.

By participating in these golden opportunities, we have created memories that will remain forever gold.

GOING FOR THE GOLD

P.B.H.S. has encountered many changes this year. The spirit and pride sparkled like gold in assemblies, games, and class competitions.

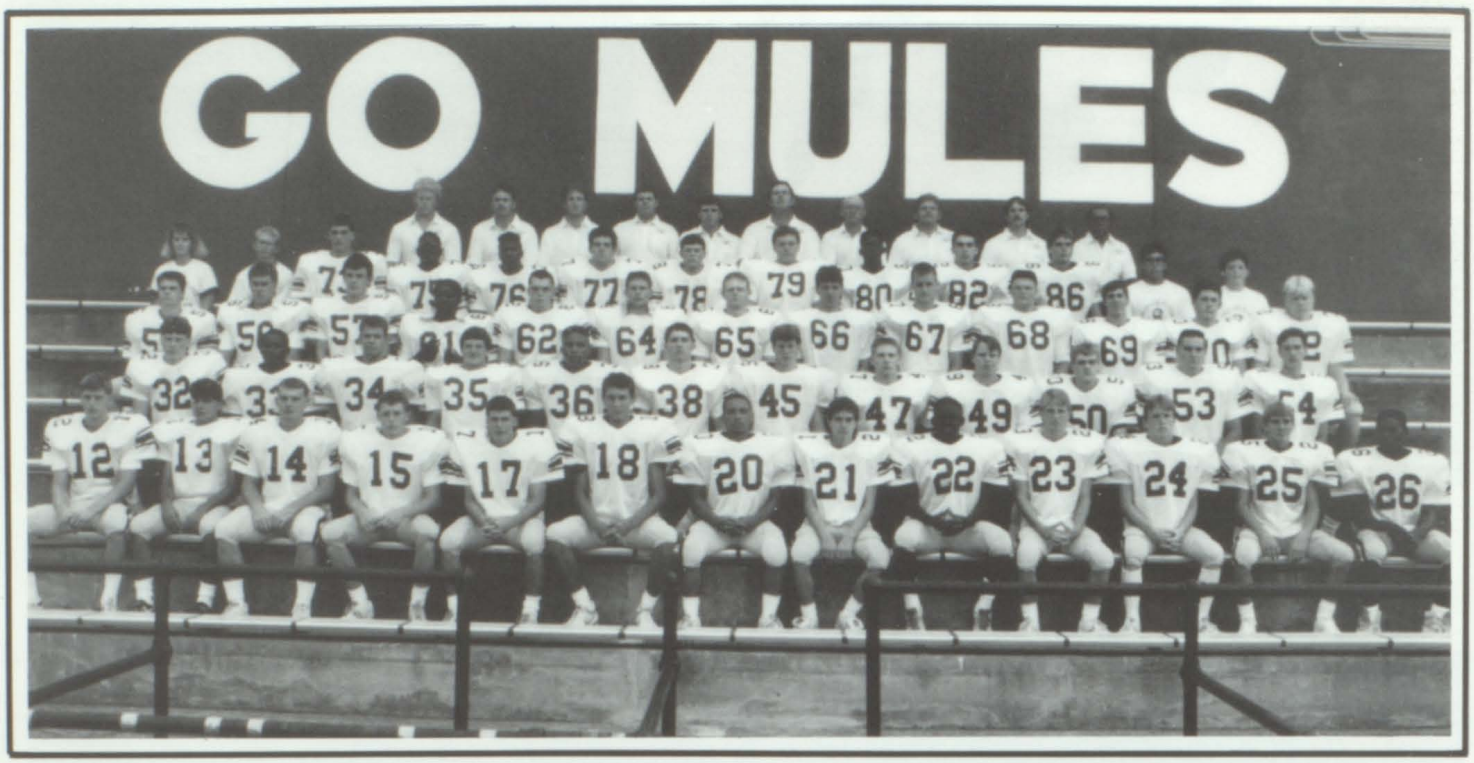

The football program began it's journey to the top and produced enthusiasm throughout the town. The excitement was shared among the variety of sports also "GOING FOR THE GOLD". Hours of hard practices and deep dedication paid off as our athletics brought back "Mule Pride".

This year has definitely been one of energy and change. Striving to reach the top is what makes Poplar Bluff Senior High stand out from the rest. Competition only makes us stronger and the desire to excel makes us champions. The winning touch is crowned by our good sportsmanship. An athlete is more than just a letterman but is someone who participates in team unity.

GOLDEN SMILES

For yet another year, the golden smiles of the students and faculty at PBHS brightened our daily lives. In the halls, in the classrooms, and especially on the weekends, the faces of our friends shone brightly.

Seniors looked forward to that golden moment — graduation. Juniors made Prom a night filled with glitter and gold. Sophomores took advantage of the many golden opportunities offered at PBHS, while Freshmen experienced the first of four years, soon to be filled with golden memories.

Each one of us will store the golden moments of the year like jewels in a treasure chest. Although, we grow older and move on, the friendships we have made will remain forever gold.

Seniors

The graduating class of 1990's memories are "forever gold". As Freshman, an unforgettable memory was open campus. For most, lunch consisted of walking to Pizza Hut with friends. Everyone enjoyed the excitement of breaking away from pressures of school.

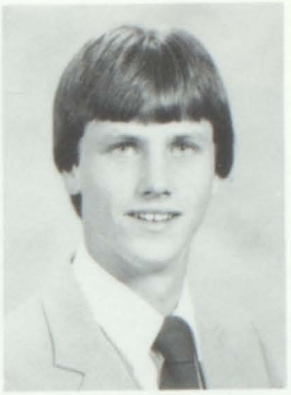

As Sophomores, we will always remember putting our homecoming float together. The highlight of our year was getting together at our Valentine Dance.

As our High School years progressed, spending time together to work on prom was a success. We'll never forget May 6, 1989 "Never Tear Us Apart".

Our last year together has come to an end. Senior Banquet and Dance was an exciting night, but the main highlight was our walk across the stage to receive our reward of accomplishment. Now, as we go our separate ways, we will always look back upon our "Golden Memories"!

Juniors

What a year we had when we were freshman. Between learning and being lost how did we ever survive? Remember the freshman dance?! What a blast we all had. There was a world of new faces, who soon became new friends as we started all over again. Our sophomore year was full of excitement. Remember the Valentine's Dance, ball games, club meetings, and the new era of dating, cars, and licenses.

Now we have completed our junior year. We are facing the beginning of the end. We have one more year to further our growth and knowledge, and to prepare ourselves for college. Those final decisions about our future are yet to be made as we approach a new beginning. Let's make our senior year the best so when we look back upon our high school years all our memories will be FOREVER GOLD.

Sophomores

Transforming from a new face to an old timer is the golden sophomore class. Through endless efforts, we made it through our first year. With it, we carry the sweet memories of our first day anxiety, new friendships, and the Freshman Dance.

As a Sophomore, we overcame many growing pains. Though we may not be at the top of the classes, we are living at the peak of our golden lives. As the new-made friendships grow, we are older and wiser. The whole world is in our hands.

With the passing time, we will continue crossing the paths of many. Maintaining the old friendships contributes to meeting new ones. However, we will never forget to keep our motto, "to be Forever Gold."

Freshmen

The events the freshman experienced this year will always remain FOREVER GOLDEN in their memories. The Class of 1993 has had an exciting first year of high school. They were introduced to high school sports, the wide variety of clubs and high school society. The Freshman Dance was a special night for everyone and the Sophomore Valentine Dance is only one more year away. The movies and ball games were the place to be on the weekends. The cafeteria was a jumbled mess, but it was a change for Jr. High School. The new friends, the dates, the campus, and the challenges will be GOLDEN Memories that will last FOREVER.

GOOD AS GOLD

If only weekends could last forever. Cruising the town with friends and sharing secrets was the highlight of the night.

Some students went from the pressures of school to the responsibility of work. The nights they had off were as good as gold.

The new Wal-Mart Superstore peaked the curiosity of Poplar Bluff. However, throughout these changes, McDonald's has remained the hot spot of everyone's weekend.

Although the town may change, our memories will stay forever gold.

WHY S.A.D.D. STUDENTS ARE HAPPIER

Nobody's more concerned about underage drinking than Anheuser-Busch. That's why we support S.A.D.D. — Students Against Driving Drunk.

Using education and peer pressure, it makes, teenagers think twice about driving drunk.

A key part of the program is a Contract for Life. Here, parents and teenagers formally promise each other to find a safe way home when faced with a potential drunk driving situation.

We're proud to be a sponsor of this important program.

MB & KC: Sun roofs in MiniVan, Pasta House rolls!

ILYA!FF!
Tammy

Thanks for all the memories, PBHS. We'll never forget . . . the Duke's musical wipers and the Buick (don't get too close). Thank God for new cars! Ooga Booga and wet sponges, camp-outs, Cujo, and laughing all night.

Lunch was great even though we had to stay on campus! Party Hats, questions of the day, and don't put that on my tray 'til I'm through eating!

Getting our picture taken together will always be remembered: S-Videos, perverted photographers, wet impressions, and the "A" group.

Weekends were always a blast spent together cruisin' in the Suburban, at parties, switching costumes at McD's, and at the Haunted House (Staci a-cryin', us a-laughing)!

We can also remember the Birthday parties (balloons and flowers were the greatest gift!), the awesome Taxi Cab delivery (hungry girls), the Christmas party (chili with peanut butter and HONEY sandwiches), going to Van Buren with our CB's, and the Dances (Sophomore Valentine, Prom '89 and '90, and Senior Dance) and the movie camera was always there.

We were always busy throughout our Senior High years with sports, clubs, FCA talks, but we always had time for our friends, talks, and advice on guys.

The Daisys will live forever, but the Rebels will never be forgotten (breakin' in, easy on the muffler). Our Motto: FYWPO!!!

Our years at Popular Bluff Senior High will always be "Forever Gold". We hope we've captured many golden memories for you to remember PBHS by.

We'd like to thank Crutchfield Photography, Joe Craig Photography, and the Daily American Republic for their valuable time and cooperation.

Coach Caputo and the 1990 "BLUFF" Staff made this yearbook possible and we'll always remember them.

Thanks for making '90 a golden year!!!!!

Co-Editors,

Leslie Lisa
